Balaklava Eisteddfod Society

The Balaklava Eisteddfod Society is a voluntary organisation that has been operating with great success for almost three decades. With excitement and pride, we invite you to assist our committee in giving our many entrants the opportunity to perform at the annual Balaklava Eisteddfod before an encouraging audience, while receiving constructive written feedback from our esteemed adjudicators.

Your support funds the overall execution of this event, including but not limited to venue hire, publicity, required insurance, trophies, and providing the best adjudicators for the benefit of all competitors.
